**APD Printing Inc.**  
**Terms and Conditions of Order**

**1. Accuracy:**

**Layout:**

You are 100% responsible for the accuracy of your layouts. Please proofread all layouts carefully. All layouts assembled (typeset) by APD Printing Inc. (hereafter "APD") will have printed in 6pt. font on the backside of the card. APD reserves the right to refuse to print any material that APD determines, in its sole discretion, is immoral, illegal or inappropriate for any reason for distribution in the Canada / USA mail stream. If your material is deemed unacceptable, you will be notified promptly and permitted to change the content or layout to fit our requirements. You will not be charged for any services that are performed by APD on any job that is denied for the reasons described in this paragraph.

**Color:**

All cards are placed on our printing press with other jobs or "gang printed." APD will reproduce color from submitted transparencies, slides, photos or digital layouts as closely and accurately as possible, but cannot exactly match color and density (as viewed in a 5000K light booth) because of limitations in the printing process, as well as neighboring image ink requirements. The accuracy of each color reproduction is guaranteed to be within a minimum of 85-90% of the original image you submit. APD accepts no responsibility whatsoever for color variations between submitted images and the actual artwork or product they represent. All colors contained within any RGB digital file will be converted to APD's CMYK color space. This may cause the RGB colors to visually change due to color space differences. You should also note that your computer monitor's calibration affects the colors displayed on your monitor's screen. The colors on the printed cards may differ from what you see displayed when viewing your layout via APD's online final approval process. The online proof only presents the design layout, text accuracy, image proportion and placement, but not color or density. For reprints, APD strongly suggests that you mail a hard copy of the original order for an accurate color review. Also, if your order is color critical, APD strongly suggests you purchase a hard copy color proof from APD.

**2. Payment:**

The fees for APD products and services, which include the cost of processing, printing, shipping and/or mailing, and any other charges applicable, are due and payable together with the submission of an order. APD requires pre-payment on all orders with the exception of certain customers pre-approved for Credit Terms. APD grants Credit Terms on the print portion of orders only. All mailing services and postage related fees must be prepaid. Please note that no orders will be mailed until an approved and signed mailing services invoice is returned from the customer authorizing payment. APD accepts Purchase Orders from government and educational institutions with prior approval and requires the submission of the PO number at the same time the order is submitted. Any amount due to APD, which is not paid, may result in non-delivery of the order, and interest charges as allowed by law. Customers are responsible for all related collection costs, legal fees and interest. All returned checks will be charged a fee of \$25.

**Sales Tax Policy:**

APD is required to collect provincial sales tax on purchases shipped to Ontario. If your order qualifies for sales tax exemption in accordance with Ontario Sales & Use Tax Regulations you must provide APD with a Valid PST Exemption Certificate. APD requires that resale certificates be provided at the time of order via mail or faxed to (905) 878-0116.

**Refunds & Cancellation:**

No refunds will be granted once we begin your order. No partial refunds will be given for work not completed. All refunds, due to overpayment on account are available upon customer request.

**3. Production Time & Delivery**

Completion of your job within our quoted Production Time is dependent on receipt of your signed layout and final approval. In no event will APD be liable for any special, incidental or consequential damages or compensation, reimbursement or damages on account of the loss of present or prospective profits, expenditures, investments or commitments, whether made in the establishment, development or maintenance of business reputation or goodwill or for any reason whatsoever. Any images/graphics, text or other materials supplied to APD by the customer will remain sole property of the customer and the copyright thereunder has not been assigned or transferred in any manner to APD. However, any additional materials created by APD in the production of an order, (including but not limited to: typeset layouts, color scans, fonts, high resolution digital files etc...) are and shall remain the sole property of APD. Digital files of an APD assembled layout can be obtained upon customer's written request and by payment of the applicable fee for such files.
